### OBJECTIVE

The art of animation comes to life as students discover the history, creativity, and innovation behind the creative process of animation.

### KEY LEARNING HIGHLIGHTS

#### The Animation Process

- In an exclusive drawing session, students apply knowledge of simple geometric shapes and proportions to the task of animating.
- Students discover the steps in the animation process.

#### History of Animation

- Students discover that animation is a very old art form.
- Students make and use early animation devices.

#### Disney Animation

- Students gain a better understanding of the attention to detail, connectivity, inspiration, and technology that make The Walt Disney Company the leader in animation.

#### Students Become Story Sketch Artists and Scriptwriters

Stories come to life as students get a hands-on opportunity to begin creating their own storyboard.

- Students create a story, understanding the importance of a clear beginning, middle, and end.
- Students are challenged to become artists, writers, directors, sales people, and part “ham” as they “pitch” their story to their peers.

### THE DISNEY DIFFERENCE

- Students participate in an exclusive drawing session with a Disney artist.
- Trained and knowledgeable *Disney Institute* Cast Members facilitate this high quality and educationally sound program, while never forgetting that fun is a vital part of learning.
